Type	Side table	Weight	15,92 kg
Dimensions W × D × H	54,5 × 44,5 × 55 cm	Delivered	Assembled
Material	Stainless steel		

Information

Pebbles shapes stainless steel into a side table with rounded, organic lines. The frame is held together by interlocking joints, lightly inspired by traditional Japanese paper art. Made from a single material, it is as much at home on the terrace as beside the sofa.
